

# SCHRA Catering

*South Central Human  
Resource Agency*

*Helping support your  
local elderly nutrition  
program*

*The Nutrition Program offers catering services to help generate enough income to purchase equipment as needed and to help sustain the program at five days a week. The catering dollars pay for the cost of food, utility maintenance and labor cost of each job. The remaining money goes back into the program. Without the additional dollars, the Nutrition Congregate Program would only be in operation four days a week. This would mean that 1850-2000 meals per month would be cut and create a higher number of seniors going hungry in our communities. We strive hard to continue keeping seniors fed and in their homes instead of an institution of some kind.*
